At **MIZFIT** we are all about creating a **POSITIVE ATTITUDE** toward fitness. A misfit goes against the grain and thinks differently. And that's our approach to exercise. We aim to change the conventional perception about fitness - that it's a chore—by making it unique and dynamic! Ultimately, it's about **INSTILLING HABITS OF A HEALTHY LIFESTYLE AT AN EARLY AGE.**

This enrichment class is **EASY, FUN & EFFECTIVE**, and kids will have so much fun that they won't even realize they're exercising! The class combines the principles of aerobics with the innovative, international dance styles of Zumba & Hip-Hop. When taken together, they provide a venue for and encourage self-expression, social interaction & multi-cultural understanding. Add in Mizfit's philosophy towards fitness, and kids will be inspired to maintain a healthy body and a positive attitude.
